MISCELLANEOUS

✓ SAVE THE DATE: Wednesday the 7th of December - Christmas celebrations at the division! This year, bring a dish of your choice, if you wish, and add to the buffet table. Last day of signing up: 28th of November

✓ Rajni participated in a debate on the possibilities of bioplastics in The European Parliament on the 18th of October

✓ During the month of October, we have had five students from Indonesia visiting the division of Biotechnology. They are with us under a commissioned program led by Carl.

✓ Tim Börner defended his thesis on the 20th of September.

We have a new company delivering our fruit. This due to new public procurement. Hopefully you’ll find it as good or better as the previous one!
